HBRC Code of Conduct

The primary role of the HBRC is to offer athletes and coaches the opportunity to be involved in the sport at a high performance level.

This therefore requires us all to be focussed on the preparation and competition that comes with being part of the sport and not let conduct that could inhibit our performance or bring our Club in to disrepute, appear at any time.

Therefore you are reminded that from the time you get on the transport at the beginning of any trip you are in the hands of the trip manager and the following rules apply.

1. No alcohol is to be consumed by any underage athlete and for adult rowers you may only participate in the company of your coach.
2. Drugs and smoking are unacceptable in the life of any athlete and will not be tolerated by HBRC.
3. Profane language either on or off the water advertises us in a poor light and is unacceptable.
4. Respect all members of the Club and look out for one another at all times.
5. Absence without leave from the trip manager is unacceptable. Make sure your whereabouts is known at all times.
6. No athlete will be allowed to take their own car to any event unless approved by the trip manager or if they do then no passengers other than those sanctioned by the trip manager

Failure to abide by the code of conduct will mean your return home at your own cost.

There will be no refund of regatta fees paid.
